Dear Sir—

I have in my possession
a mutilated "Silver Dollar"
recently taken from a bag shipped
here by the "East" Local, think-
ing perhaps you would rather
it wouldn't go into circulation.
I duplicated it, and will wait
your reply.

Very truly Yours

W. G. Hillman
an Assistant

P.S. It was undoubtedly done in
coining, and would not have been
sent out had it been detected.
